XMC Centre Consoles

The **XMC's** are an 'xtremely' versatile boat, standard casting deck with esky storage underneath (excludes XM450C), well positioned console, spacious side pockets, large anchorwell and SportzBak transom make these an exceptional fishing platform for both river and reef fishing. They also have the style and appeal to mix it with other boaties at the lake for a leisurely ski or dragging the kids around on a ski biscuit. That has to be better than watching TV or playing computer games!
